MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT: Approval of DDI Supergrade Positions

1. Attached for your signature is a memorandum to the Director recommending the approval of three GS-16 positions for the Office of the Deputy Director (Intelligence).

2. Members of this Office in working with the DD/I on this submission, secured informal management concurrence from the Assistant Management Officer for the DD/I area. In view of the DD/I's statement that he would not immediately fill these positions and inasmuch as they supersede existing positions of supergrade level in the DD/I area, there do not appear to be any current budget problems.

3. In order to make available an additional supergrade space to cover the DD/I staff as proposed, the DD/I decided to abolish the position of Deputy Assistant Director, Office of Intelligence Coordination, on 20 July 1953.
